**RE: myNEXUS Home Health Agency Provider – IMPORTANT NETWORK INFORMATION**

Dear Home Care Provider:

myNEXUS, a Nashville-based benefit management company, has contracted with Anthem to provide delegated services for home health to their individual Medicare Advantage members. Delegated services include Utilization Management and ultimately Claims Payment and Provider Network. Please note: group-sponsored Medicare Advantage members are not included in this initiative.

myNEXUS is an innovative, technology-driven care management company focused on serving and keeping clients in their home through intelligent, connected care. myNEXUS promotes wellness and independence by leveraging its digital health platform to help prevent adverse events while helping to ensure quality outcomes.

Later this year, Anthem will delegate its provider network for home health services to myNEXUS. Upon completion of the delegation of provider network management, agencies not directly contracted with myNEXUS will be considered out-of-network. Anthem individual Medicare Advantage members for your service area will be directed to a myNEXUS in-network home health care agency.
